CAREER OBJECTIVE

I am a React web developer with a strong passion for building engaging and user-friendly applications. Alongside my technical skills, I have a supportive and collaborative mindset that allows me to work well in team environments. I enjoy taking on new challenges and constantly strive to learn and grow in my role. As a result, I am confident that I can contribute positively to any project I am a part of.

SKILLS

- Javascript + Typescript
- React.Js
- Next.JS
- UI/UX Design
